Reference: FCC Docket Nos 96-45, 98-171, 90-571, 92-237, 99-200, 95-116, 98-170
and NSD File No. L-00-72.

Dear FCC:

My daughter has a chronic medical condition that requires constant attention. A cell phone allows her to have the freedom that most people enjoy, with much less risk. Do you really need to make more money from her condition?

Thank you for your prompt attention to this matter. Please provide a written response indicating the status/resolution of this matter.

Very truly yours,

P. Hoover
8143 McNulty Ave.
